

Void Property Refurbishment Programme

Grainger PLC

Programme Highlights

Our Void Property Programme's swift turnaround— from 5 to 15 days— and high-quality workmanship enable Grainger to rapidly re-let vacant flats within their housing portfolio. Throughout this programme, we revitalised properties that had experienced wear and tear, transforming them into safe, modern homes that are both stylish and practical, as well as cost-efficient to maintain.

Details

- Stripping of walls and ceilings
- Double-boarding of ceilings
- Replastering and skimming
- Full painting and decorating
- Treating high and low-level damp
- Installing new carpets and flooring
- Installing new window sills
- Fitting internal doors
- Repositioning doorways and adding partitions
- Installing new storage radiators
- Fitting fully-equipped bathrooms with new sanitaryware and non-slip flooring
- Installing fully-fitted kitchens

Benefits to our client

We have now renovated over 50 properties over the course of just 6 months. These properties date from the 1900s to 2000's

Our commitment to high standards of craftsmanship and quality finishes ensures that future repairs and maintenance costs are kept to a minimum for our client. With an efficient turnaround, Grainger PLC can promptly re-let these homes to families currently in temporary accommodation.

CLS Group has partnered with Grainger PLC, delivering multiple concurrent programmes across London, including this latest Void Property Programme.
